Protocol No. 14/2022

PASCHA ARCHPASTORAL LETTER

To the Very Reverend Protopresbyters, Very Reverend and Reverend Fathers, and Faithful (young and old) of our God-Protected Diocese:

CHRIST IS RISEN!

INDEED HE IS RISEN!

**“Christ is Risen from the dead, trampling down death by death,
and to those in the tombs bestowing life.”**

Today I greet you with great love and joy in the Name of our Lord and Saviour Jesus Christ following His glorious Resurrection. On Great and Holy Pascha, we behold the triumph of Christ, as He rose from death to life, from darkness of the tomb into the Light. With the Resurrection of Christ, all Creation is filled with a new Light of life and joy. On this Feast of Feasts, this Holy Day of Holy Days, we all proclaim the only truth that matters, the Truth that Christ is Risen!

We gather together as family and friends, in joy and in love, celebrating the presence of the Risen Lord in our midst, and singing with one voice the triumphant hymn “Christ is Risen from the dead, trampling down death by death, and to those in the tombs bestowing life.”

This day of the Resurrection marks the beginning of an explosion of joy that comes immediately after the spiritually intense and challenging period of Great Lent and Holy Week. This beautiful hymn captures in three verses the fundamental message of the Feast of the Resurrection of Jesus Christ. It is a message of victory, of love, and of hope in everlasting life. On this day and throughout the Paschal season over the next 40 days, we proclaim this message of victory, of love and of hope together in song through this hymn at the beginning of very divine service in our Church. This hymn, simple in form yet deep in power, is worthy of study as we seek to fully understand its meaning.

The first verse of the hymn expresses the reality of the Resurrection of Jesus Christ, “Christ is Risen from the dead.” This reality of the Resurrection has been a distinguishing feature of Christianity

The American Carpatho-Russian Orthodox Diocese of North America

ECUMENICAL PATRIARCHATE OF CONSTANTINOPLE

from the beginning. St Paul expresses this idea to the Corinthians "If Christ has not been raised, your faith is futile and you are still in your sins" (I. Corinthians 15:17). He declares unequivocally that Christ has been raised from the dead, that He appeared after His Resurrection to as many as 500 people at a time, most of whom were still alive when St. Paul was writing (I. Corinthians 15:6). The reassuring words of this Epistle continue to provide us today with their intended effect, which is that our faith in Christ is not futile at all and that, because of the reality of His Resurrection, we are no longer held captive to our sins.

The second verse of the Paschal hymn explains to us the extraordinary manner by which Christ conquered death's dominion over us once and for all: "Trampling down death by death." When Jesus was crucified, He took on the sins of all humanity and suffered the intensity of which remains truly incomprehensible to us as human beings. This demonstrates the unending love of our God, Who took on human flesh and Who died on a Cross for our salvation. By submitting Himself to death, Christ not only annihilated sin but also death. The final defeat of the archenemy death could not happen but only through death itself, not an ordinary death however, but the death of God who became man.

The third and final verse reveals the very essence of the Feast, for it encapsulates the full consequence of Christ's Resurrection from the dead: "And to those in the tombs bestowing life." To all of us on this day then, this is a day of promise and of hope for everlasting life with Him. This last verse reiterates the message that St. Paul was communicating to the Romans when he wrote that as Christians we are dead to sin, but alive in Christ: "We were buried therefore with Him by baptism into death, so that as Christ was raised from the dead by the glory of God, we too might walk in newness of life" (Romans 6:4). This is the message of our Orthodox Christian faith which we celebrate on this day of Pascha and indeed every day of our lives here on Earth. It is a message that proclaims our ultimate victory over all forces of darkness that attempt to impede our progress on the road to salvation and eternal life with Jesus Christ.

It is in this spirit that our repeated singing of this beautiful triumphant hymn for 40 days will enable us to come closer and closer toward understanding the power of its message:

CHRIST IS RISEN! INDEED HE IS RISEN!

May the Clergy and Laity, Friends and Supporters of the American Carpatho-Russian Orthodox Diocese experience the love, joy, and excitement of the early followers of Christ when they first saw Him after His Resurrection. Christ is Risen!

Working in the Risen Lord's Vineyard with much love,

+Metropolitan Gregory of Nyssa

ANNOUNCEMENTS:

YOU CAN STILL CONTRIBUTE FUNDS TOWARDS THOSE SUFFERING IN UKRAINE: Whether you contributed already or not, there's still time to help out more. Any additional funds we raise from the church will continue to be sent through the Ukrainian Orthodox Church of the USA. Make any checks to "St. Nicholas Church" with the memo "Ukraine", or you may also contribute directly online yourself through www.iocc.org. Thank you to everyone who donated supplies up til now!

SPECIAL ANNOUNCEMENT: Litmanova & Jarabina, ancestral villages to our parish founders, are now on the front line of assistance for refugees fleeing the invasion by Russia in Ukraine. They seem to be doing everything they can to provide that help but more help is needed. Please read the letter below and help as able:

"We all have seen the images of what's happened as a result of Russia's unprovoked and brutal invasion of Ukraine ~ attacks on civilians leading millions to flee their homes with only what they could carry, women and children suddenly refugees in different countries as their husbands, fathers and brothers stayed behind to fight for their right to live freely. The people of Slovakia have welcomed these innocent mothers and children into their homes, schools, towns and villages starting in March and continuing as war rages in Ukraine. Rusyns & Slovaks are assisting with food, clothing, school supplies and documentation; providing work, friendship and love to these children and mothers who feel lost in a foreign country. The Slovak government provides small and very temporary assistance, so much of the work and financial impact falls on the shoulders of individual people.

To ease the burden in our ancestral villages of Jarabina and Litmanova, we have sent funds to the school in Jarabina (hosting new children from Ukraine) and to refugees staying in Litmanova. It is very overwhelming for everyone..... A huge financial burden....

Children are crying for their fathers, losing weight from nerves, wearing the same pieces of clothing. The horror, mental torture and pain they have all had to endure in their homeland Ukraine is heartbreaking.

But, you can make a REAL difference.

We are in DIRECT contact with educators, principals and clergy. Every single dollar will stay in Eastern Slovakia for Ukrainian refugees and ease the burden of our Rusyn & Slovak people. We hope to continue to aid Jarabina, Litmanova and target areas of need. Our people are good hearted, and have given so much to those in need. The Rusyns, Slovaks and Ukrainians are so grateful and thankful when they learn that in the United States we are thinking, supporting, and praying for them. We appreciate your consideration during this Pascal Season for this very meaningful cause.

Please see Stephanie Salony as she will graciously accept cash/check or Venmo donations @STEPHANIE-SALONY or to Michelle Salony Ryan@M-Ryan-5 or checks made payable to: Michele Ryan: 18 Goldfield Lane, Rexford, NY 12148."

YOU CAN STILL ADD TO OUR FOOD COLLECTION! We continue to support the North Rockland Food Pantry, who alone serves 100+ families EACH week. Please remember those less fortunate and help us feed the hungry. May God bless you for your generous donations! *Please submit donations to Board Chairman Bob Zizik, and thank you to Bob for all that he does to head this and make this happen!*

TRACY HEIDENFELDER MEMORIAL SCHOLARSHIP STILL AVAILABLE! We are pleased to announce that the 10th Annual Tracy Heidenfelder Memorial Scholarship is being made available to graduating students at St. Nicholas of Myra Orthodox Church! Diane and Gary Heidenfelder ask that all applications be sent in no later than May 20th.

PASCHA

By Elizabeth Andreyca

*This Easter poem is dedicated in loving memory of

A SLAVIC EASTER... THE TRADITION CONTINUES

*'Twas the day before Easter and all through the house,
The Hrutka was hanging, even tempting the mouse.
The beets were boiling and I was grating with care
Because the horseradish aroma was filling the air.
The Paska was sticky, it was a big lump of dough
I kneaded to plump it so it would grow.
Raisins were added, then into the pan
Where inside the oven it began to brown and expand.
With baba in the kitchen and dzedo taking a nap
I began cracking walnuts, leaving the shells in my lap.
Opened jars of lekvar were soon everywhere,
Filling rolls of kolachi were all I could bear.
Two dozen boiled eggs were waiting to cool
For coloring in pastel yellow, pink, green and blue.
Softening for the mold was a pound of sweet butter
How I prayed that my counter would be free from this clutter.
The salt shaker was cleaned and filled to the top
Leaving only the meat before I could stop.
Smoked kielbasa and bacon and brown-sugared ham
Why couldn't they just bless cans of ready-to-eat Spam?
Finally on Sunday with filled baskets in hand
And while singing "Christos Voskrese" the congregation did stand.
With candles and incense and blessings for us all
We bidden each a Happy Easter and left the church hall.
At home the family gathered to begin the holy meal
But shortly thereafter I wondered if it was all real.
Within an hour of eating everything that they were able
My family was too full to clear the dishes from the table.
Happy Easter to All! Christos Voskrese! Voistinnu Voskrese!*
